Afternoon Blend

A blend from the higher and lower regions of Sri Lanka delivering a light, refreshing flavour with real body

Earl Grey Classic

Bright, fruity and ever-popular, our Earl Grey is made from black tea, and flavoured with aromatic and stimulating oil of bergamot

Royal Blend

In this classic Royal Blend notes of Flowery Pekoe from Sri Lanka uplift the maltier Assam to create a very traditional cup of tea. First blended for King Edward in 1902

Smoky Earl Grey

Created in response to a request from the Palace for a smokier Earl Grey, this unique blend combines traditional bergamot with a touch of Lapsang and Gunpowder tea. For years its unique smokiness has been popular for very good reason

Queen Anne

Created in 1907, this smooth blend of carefully selected TOP Assam and Ceylon FBOP teas produces a strong, smooth tea refreshing at any time of day

Green Tea with Elderflower

Fortnum's believe fragrant elderflower is a worthwhile companion to the best green tea, as the complementary flavours combine to create an especially subtle and distinctive drink. Enjoy this delightful and delicious tea at any time of day
